

From the General Manager

Welcome to 2020, and what is shaping up to be fun and fantastic year ahead.

Since joining Easylink just a few months ago, I have been truly delighted by the spirit and camaraderie shown across the volunteers, staff and customers of this great organisation. As a not for profit community-based organisation we are here to support our community and keep people connected with what matters. Doing this across a region as large as the Northern Beaches can be quite a complex challenge and is only made possible thanks to strong collaboration between volunteers, staff and yourselves. Thank you for your continued support.

So, what is in store for 2020? The team here at Easylink have been busy scouting new and interesting locations and events for social outings and we think we have a great line up that is sure to appeal. Some to watch for include Easylink's Tea Dance to celebrate the NSW Seniors Festival in February, our Light Rail excursion into the city and St Pat's Day celebrations at Berowra Waters. We will also be introducing several new activities in 2020 starting with our low impact Easylink to Wellness exercise program running from February to April 2020. This is a great way to keep active, have some fun and make some new friends. For those looking to attend Seniors Festival activities on the Northern Beaches, we will be supporting the program with transportation to events throughout the festival. The program runs from the 12th to the 23rd of February with more details available on the Northern Beaches council website.

One other area of focus we have in 2020 is to help more of our community with their transportation needs by making Easylink a household name on the Northern Beaches. You can help us with this. Please tell your friends, family, doctors, dentists, hairdressers and anyone who will listen about our services. The more people who know about us and use our services takes us closer to having a socially engaged and accessible environment for our entire community on the Northern Beaches. There are so many ways you can use our services too, and all our trips pick you up from your door and return you home in our fleet of cars, vans and buses.

- Individual Transport taking you to your appointments, friend's houses, parks, cafes, etc....
- Shopping Trips to help you pick up those staple supplies and carry them directly to your door.
- Social Outings delivering fun new experiences at restaurants, theatres, and more.
- Mystery Drives taking you on an adventure to explore Sydney in a fun, social environment.
- Hospital Shuttles providing a low-cost, low stress way to attend appointments at Royal North Shore Public and Private, the Mater and Chatswood Hospitals.

If you haven't tried some of these services, why not give it a go.

And don't forget to keep an eye out for our social events throughout the year. We will post these out though you can also keep across these on our website at easylink.com.au.
