

From the General Manager

Only two months into the year and we have already completed 7,208 trips and travelled over 60,000 kms. What a fantastic start to 2020!

We had a couple of new activities that we launched this year that have proven extremely popular. The first was an excursion into the city where our travel trainers (who normally provide training on how to catch public transport) took some time out to show case the new light rail system.

Customers on Easylink's Light Rail outing.

The group were transported to Manly wharf where they caught the ferry to Circular Quay for lunch before venturing up to Town Hall by light rail. If you loved this event, be sure to check out our May social calendar when we will head out to Castle Hill to experience the new driver-less train.

The second new activity was our 'Easylink to Wellness' exercise program. The team at Active Seniors in Dee Why have been taking groups through aerobic/step classes to help with movement. This program will continue through March with a focus on balance then onto stretches and mobility in April. These classes are very popular, sign-up early to make the most of this opportunity.

Glancing into April and May, we have a tonne of exciting excursions planned for the next couple of months, from art galleries to animals, shows and shopping, and of course an amazing array of restaurants and cafes.

And if that's not your cup of tea, why not create your own social event? Call your friends and arrange a place to meet, then give us a call and we can arrange the transport for you.

Dan

EASTER OPERATING HOURS
