

From the General Manager

How wonderful has it been to get out and about this past month? Although our social activities were a little more low key than usual, it was just so nice to see so many of you getting back on board. It has also been fantastic to have such great support from our community at this time, with exclusive sittings at restaurants and cafes, and many offering tailored social events to ensure we can reconnect in the safest possible ways.

We do still have a way to go with our COVID-19 recovery, though we are really pleased to be able to include a few more exciting outings on our social calendar for the next couple of months. This includes an adventure out west to see the animals at Featherdale Wildlife Park, a brush with fame at Madam Tussauds wax museum, and even a journey across the sea to Cockatoo Island.

Of course we also have a good selection of shopping excursions, and some exciting new locations for lunches and morning teas if this is more your style. We are also trying to increase flexibility and put the power in your hands this month with a few a-la-carte dining options and our 'design your own social outing.'

If you just want to get to appointments or visit family and friends, don't forget that we also offer a subsidised door to door transport service. Just give us a call and let us get you to where you need to be.

Many thanks to you for your continued support as we progressively get back to strength.

Dan

DESIGN YOUR OWN SOCIAL OUTING

You pick the location
.....

Arrange with your friends to meet you there at a certain time
.....

Let us know where and when, and we'll arrange the transport
