

## From the General Manager

Well wasn't that an eventful couple of months.

With 47 social outings scheduled for August and September we were looking forward to a solid re-start to our COVID-19 recovery. Alas, in the words of Robert Burns "*The best laid schemes o' Mice an' Men, Gang aft agley*", and we ended up going on precisely zero outings.... Sigh!!

Not to be defeated, we are going to try again. With our world expected to open up in the coming months, we have pulled together a bunch of outings for October and November to align with anticipated health orders at this time. We will also be looking to reschedule some of the events that were cancelled over the past couple of months and will reach out to those that were booked in on these with some new dates.

We have been fortunate enough to receive sponsorship from the Manly Leagues club for our very popular Easylink to Wellness program and will continue to run these three days per week.

We are really looking forward to seeing you all again and have fingers and toes crossed that we see our way clear of the current COVID-19 lockdowns. Please understand however that we will only travel if it safe to do so, and all events are subject to improving COVID-19 conditions.

In the meantime, we are still here to help with your independent transport needs. If you need to get to the shops, doctors or other essential appointments, please let us know. Community transport is an essential service and remains operational throughout the lockdown period.
