

From the General Manager

After a challenging couple of years with pandemics and floods, it is so nice to see everyone getting out and about, and I am pleased to say that we have just come through our busiest period on record. In fact, we are now providing around 50% more trips than we were before the pandemic. This is just outstanding and we really do appreciate all the support we get from yourselves and the Northern Beaches community to make this happen.

Speaking of busy, we did have a couple of events in the last calendar that generated so much interest that we are going to go back for another look. The first is Elizabeth Farm. If you missed out in June, we will be out there again in September be sure to book early to secure your spot. We will also be heading to some of our favourite spots for this time of year including the Cherry Blossom festival and the Archibald prize exhibition. Looking further down the line, in October Easylink will celebrate their 40th birthday and we will be putting on a big birthday bash. Keep an eye out for this in the next newsletter.

And finally, for those of you who do use our independent transport services to get to your own appointments, or shuttle service to access hospitals and specialists on the Lower North Shore, please note that due to rapidly escalating supplier costs we have had to make a small adjustment to the price for these services. New pricing will come into effect 1st of August. Please contact the office on 02 9919 0700 for an update quote for these services. The cost for our mystery drives and shopping buses remain unchanged.
