

From the General Manager

For those of you who are new to Easylink, welcome. For those of you who have been with us a while, we really hope you are all enjoying our social program as much as we enjoy putting it together. We do try to find a good variety of outings to suit different tastes and budgets though if you do have any suggestions for outings, please do let us know.

To help ease us into winter we have put on a few hearty lunches to some of our favorites as well as some new locations. One to watch out for is definitely going to be Christmas in July at the Fiddler. This is one of our most popular outings. Be sure to book early for this one!

We also have a number of multi week programs on offer over June and July. These include our regular Easylink to Wellness Exercise Classes, a continuation of the Art Social Program, another series of our previously booked out Digital Technology Workshops and a new outing to the 'You Should Be Dancing' dance and movement program. These programs are a great way to learn a new skill or practice one you've had for a while.

Keep warm everyone and we hope to see you on the road with us soon.
