

From the General Manager

Happy New Year. I hope you all had an enjoyable and restful Christmas.

Some good news to start the year, as we welcome in 2024 we have been very fortunate to receive grant funding from the Pittwater RSL, the Avalon RSL and the Northern Beaches Council for some great outings to kick start our social program.

With support from the Northern Beaches Council we are able to run another round of our very popular art social program. This program is a series of art classes followed by lunch at a local club or café and includes transport, lunch and the art class all for only \$35*.

The Pittwater RSL have been kind enough to sponsor a number of environmental sustainability workshops at Kimbriki followed by lunch at their club. At only \$25* for transport, lunch and the workshop this is a fantastic day out.

And as a new experience for Easylink, the Avalon RSL have invited us to venture “beyond the bends” to explore Avalon and the fantastic hospitality that this community has to offer. These outings will be running monthly and will take groups up to the Avalon village to wander and explore, and then onto the Avalon RSL for lunch. The return bus trip is only \$15* from anywhere on the peninsula.

We really appreciate the support of these organisations for our social program and encourage you to make the most of these outings while they are available.
