

## From the General Manager

What an amazing start to the year we have had. Maybe a little on the warm side, but so good for getting out and about.

Did you know, there are now over 7,500 Northern Beaches residents registered for Easylink services. We are so pleased to be able to assist so many of you with your transport needs. To ensure we are providing the best customer experience, we have now welcomed a new Customer Service and Support Manager to our group. Kate Filby comes to us from Deaf Connect where she has been assisting with their support services for the past 7 years. Kate will be joining a bunch of our outings over the coming weeks and months and would love to hear your thoughts on how we can make Easylink even better.

Looking forward to April and May, thanks to grant funding from the Balgowlah RSL, we are very proud to be hosting a morning tea with Neil Evers who will take us on a journey through the indigenous history of the Northern Beaches. At a cost of only \$20 for subsidised customers, which covers the talk, transport and morning tea, this is one not to be missed.

We are also thankful to the support we have received from the Avalon RSL who have continued to sponsor the "beyond the bends" Avalon explorer bus in both April and May.

In addition to these grant funded outings, we have secured a limited number of tickets to the ARTEXPRESS exhibition at the Art Gallery of NSW in April. The pieces on display at this exhibition are outstanding, and this is a great way to celebrate the talented young artists we have in Australia.

And finally, as we navigate our way through the next couple of months, please do take note of our Easter and ANZAC day closures being Friday March 29th, Monday April 1st and Thursday April 25th.
