

From the General Manager

Whether you are new to Easylink or have been travelling with us for a while, we really do appreciate your support, and love being able to explore Sydney with you all. We also love hearing your suggestions on new locations to explore and appreciate your feedback on what we are doing well and how we can improve our service.

With this in mind, this month we have included a short survey with this newsletter for you to provide your thoughts on how we are doing. If you could take a few minutes to complete this survey and post, email or hand back to the driver on your next outing this would be very much appreciated.

Looking to our outings over the coming months, the calendar is a little light on in June as a few of our amazing volunteers take a well-earned break, though we will be back to strength in July. Some great outings to keep an eye out for include our sustainability workshop at Kimbriki followed by lunch at Pittwater RSL. At only \$25 for subsidised passengers including transport, the workshop, and lunch, this is tremendous value. We also have another opportunity to hear Neil Evers take us through the Indigenous history of the Northern Beaches over morning tea Forestville RSL. Only \$20 for subsidised passengers, including transport and morning tea, this is a great morning out.

Thanks again for your support and looking forward to hearing your thoughts on how we can make Easylink even better.
