

From the General Manager

Happy New Year, and what an absolutely magic start to the year we have had.

At Easylink, we are gearing up for another busy year, and have been fortunate enough to receive some amazing support for both new and returning social outings in 2025.

- With support from the Mounties Group we will be continuing our very popular Easylink to Wellness program. With transport, an exercise class and afternoon tea from only \$25, this is a great way to keep social and active.
- As a new outing this year, we are very thankful to the Forestville RSL for their support of a series of safety briefings through February and March. These briefings are free for those eligible for CHSP or CTP subsidies and include critical guidance on how to stay safe at home over a delicious morning tea.
- And for those of you looking to improve your skills with mobile phones, computers and the online world, with support from the Federal Government's Dept of Home Affairs as well as the Good Things Foundation, we will be looking to run a series of cyber and digital awareness training sessions throughout the year. We are still working out the details for this one though if you are interested, please let us know and we can reserve you a spot.

And, if these aren't for you, we have a bunch of seasonal outings that are sure to appeal, including a Paddlewheeler lunch cruise on the Nepean, the Premiers Gala concert, and the ever-popular St Patrick's Day at the Fiddler.
