

From the General Manager

Happy Easter Everyone

For those that joined us for our outings in February and March, how good have the past couple of months been! With the Premier's Gala Concert, St Patrick's Day at the Fiddler, The Nepean River Cruise, Edogawa Gardens, and many, many lunches. It has been such an amazing time to get out and explore.

One of the new outings that we have recently started was our safety series. In February we had a very informative talk from the Belrose RFS and NSW Fire Brigade Forestville, and in March the team from Yourside took us through hints and tips to navigating the aged care system. All over a delicious morning tea, and at no cost for subsidised customers, thanks to the generosity of the Forestville RSL. These have been fantastic outings, and we are looking to run the third talk in this series when we are joined by the team from Services Australia in May.

Another outing to look out for over the coming months is the Eagles and Mac Tribute Show. For this one we are collaborating with community transport providers across the greater Sydney area in a combined social outing on the 8th of April. With music of The Eagles and Fleetwood Mac and lunch at Enzo's in Camden, this will be a brilliant day out.

And finally, please keep in mind that if you just need to get out and about on the Northern Beaches, in addition to our social outings, we do have a fleet of cars and vans that can take you to the shops, medical appointments, visiting family and friends, or any other trips you need to make between 7am and 7pm, seven days per week. If you would like to learn more about this door-to-door transport service, please call us during office hours of 8:00am to 4:30pm Monday to Friday to learn more.

REMINDER - Your safety is our priority. For all outings, we require participants to wear enclosed shoes to ensure a safe and enjoyable experience.

One of our new volunteer drivers, learning what it means to be a driver with Easylink.

Welcome Darren!

SAFETY SERIES

Our Safety Series will cover topics such as fall prevention, home safety, emergency preparedness, and personal security.

We are teaming up with local community services to ensure you can stay at home for as long as possible.
