

## From the General Manager

Happy New Year and welcome to 2026!

This year promises another exciting calendar of cafes and restaurants, theatre and cinema, cultural events, exercise, exploration and socialising with friends. To get the ball rolling, we have a bunch of great outings to choose from, including an evening with the Australian Army Band, the ever-popular Premiers Gala Concert, and lunch outings to Panorama House Bulli Tops, the Grand Lotus in Rouse Hill and the Macquarie Arms Hotel, just to name a few. If, however, you are all lunched out after Christmas, or would just like some help with mobility, we still have our Easylink to Wellness sessions running every week for both the North and South buses.

Thank-you also for working with us as we navigated our way through the introduction of the new Aged Care Act on the 1st of November 2025. There has been a lot happening behind the scenes to ensure this transition went smoothly, and we have really appreciated your assistance and understanding through this process. If you are still feeling a little in the dark about what the new Aged Care Act means for you, the Commonwealth Government have provided some good summaries about this at [www.health.gov.au/our-work/aged-care-act](http://www.health.gov.au/our-work/aged-care-act), or, we would love to have you join us for an information session with the Older Persons Advocacy Network on the 26th of February 2026. This session will provide valuable information on Government funded aged care services as well as advocacy support to help you access these services, and the best part, the event is completely free for subsidised customers.

Looking forward to seeing you all out and about in the coming months.

Dan
