

From the General Manager

At Easylink, we have the privilege of supporting such an amazing community, and I am always fascinated by the stories you share. Learning about your lives and experiences inspires our team, and we really appreciate these opportunities.

We want to make sure your experiences with Easylink are as good as they can be too, and we would love to know more about what we are doing well and where we could improve to make Easylink even better. Included with this newsletter is our annual customer satisfaction survey. If you could complete this and either hand it back to the driver on your next trip, or post or email it back to us, that would be fantastic.

We would also like to spend some time with you face to face to workshop Easylink's services and the support we provide, and gather your thoughts on things that we should keep doing, start doing, stop doing, or do differently. This workshop will be held on 22 June and includes free transport and lunch. We really hope you can join us.

Speaking of doing things differently, one new outing we wanted to introduce in this newsletter is our 'Plan Your Own Adventure'. If you have a group of people who would like to head out somewhere together — perhaps an outing that previously appeared in the newsletter that you missed out on, or somewhere new that is special to your group — please let us know. We are happy to organise bespoke outings for groups large and small.

Finally, a gentle reminder that we are moving this newsletter to an online-only format. The next newsletter, which will be distributed in July, will be the last printed version. After this, the newsletter will be distributed via email only and will also be available on our website. If you do not have access to email or the internet and still need to receive a copy of the newsletter, please contact our team on 02 9919 0700 to discuss options.
